PUMP MEASURE CONTROL

Fuel Dispensing and Metering Solutions

*We are Pump Measure Control,
a premier manufacturer of high-speed fuel dispensing equipment.*

MARINE

Fuelhouse Marine Dispenser

- ◆ 35 & 60 GPM configurations
- ◆ Liquid Controls PD meter
- ◆ 1" or 1-1/2" internal reel options
- ◆ Electric or spring rewind
- ◆ Above or below grade supply inlet
- ◆ Internal filtration
- ◆ Resale accurate
- ◆ Optional communications interface
- ◆ Commercial or retail electronic display
- ◆ Powder coated welded stainless steel chassis
- ◆ Brushed finish stainless steel panels

Commander Marine/Fleet Dispenser

- ◆ 15 & 60 GPM configurations
- ◆ Single or dual hose
- ◆ Piston or rotary PD meters
- ◆ 2-Stage control valve
- ◆ Outlet feed for satellite
- ◆ 7-digit dual sided retail or commercial electronic displays
- ◆ Communications interface
- ◆ Resale accurate
- ◆ Programmable pulse output
- ◆ Optional stainless steel construction for marine use

AVIATION

Fuelhouse Aviation Dispenser

- ◆ 35 & 60 GPM configurations
- ◆ For AVGAS and JET FUEL applications
- ◆ Liquid Controls Class 2 PD meter
- ◆ 2-Stage control valve
- ◆ 1" or 1-1/2" internal reel options
- ◆ Electric or spring rewind
- ◆ Above or below grade supply inlet
- ◆ Internal plumbing - stainless, aluminum, or nickel plated brass
- ◆ Resale accurate
- ◆ Optional communications interface
- ◆ Commercial or retail electronic display
- ◆ Powder coated chassis
- ◆ Brushed finish stainless steel panels

FLEET

Meter Stand Fleet Fuel Dispenser

- ◆ 35 & 60 GPM Configurations
- ◆ Designed for the commercial environment
- ◆ Liquid Controls 1-1/2" PD meter
- ◆ Integral nozzle boot, hose hanger and ON/OFF switch
- ◆ Internal solenoid valve
- ◆ Optional satellite feed
- ◆ Optional interlock/forced reset
- ◆ Optional pulse output
- ◆ Optional printer
- ◆ Optional stainless steel construction

Hose Stand Dispenser

- ◆ 35 & 60 GPM Configurations
- ◆ Designed for the commercial environment
- ◆ Satellite use allows simultaneous fueling of saddle tanks
- ◆ Integral nozzle boot, hose hanger and ON/OFF switch
- ◆ Optional internal solenoid valve
- ◆ Optional OSH series for overhead piping
- ◆ Optional stainless steel construction

Pole Mount Nozzle Boot/Switch

- ◆ Designed for the truck fueling environment
- ◆ Heavy duty construction
- ◆ Listed for use in hazardous locations
- ◆ Designed for 7H-style 1" nozzles
- ◆ Mounts to canopy pole or any convenient location
- ◆ Left and right hand versions for side-by-side mounting
- ◆ Compact 6" x 6" x 21" housing dimensions
- ◆ Integral nozzle boot and ON/OFF switch
- ◆ Optional stainless steel construction

We have over 35 years experience in the industry and are dedicated to providing quality fuel dispensing and metering solutions
